- Customer Experience (CX) Strategy
- Refund & Retention Management
- Process Improvement & Automation
- SLA, TAT & Quality Management
- People Leadership & Team Development
- Cross-functional Stakeholder Management
- Salesforce, Reporting & Data Insights

## PROFESSIONAL EXPERIENCE

### Operations Manager – India, North America & ROW | Bhanzu | Bangalore | Mar 2024 – Present

- Lead the Customer Experience and Retention function across three regions, managing a 25-member team and handling 600–700 customer cases monthly.
- Manage a ₹70L monthly refund budget while consistently delivering 85%+ retention outcomes.
- Reduced monthly refund value by 40% while supporting significant sales growth.
- Implemented Salesforce-based case tracking, reducing refund TAT from 6 months to 2 months.
- Designed QC and audit frameworks to improve resolution quality and accountability.

### Operations Manager | Instrucko | Bangalore | Sep 2023 – Feb 2024

- Led the Customer Experience function and supervised a 5-member operations team.
- Automated scheduling workflows in collaboration with the tech team, saving 2+ man-hours daily.
- Managed hiring and onboarding processes to improve team productivity and customer satisfaction.

### Customer Support → CX → Operations Manager | BYJU'S | Bangalore | Mar 2016 – Sep 2023

- Promoted four times in seven years, eventually leading a 40-member customer operations team.
- Maintained CSAT scores between 80–85%, among the highest across operations teams.
- Managed SOPs, SLAs, CTQs, and escalation processes to ensure service excellence.
- Reduced refund TAT by 25% through process optimization initiatives.
- Created Salesforce dashboards and MIS insights for senior leadership reviews.

## OPERATIONAL LEADERSHIP CAPABILITIES

- Operational Excellence: Oversee day-to-day operational activities including scheduling, record management, facility hygiene, and optimal resource utilization.
- Team Leadership: Supervise and mentor team members while managing schedules, attendance, and task delegation.

- Customer Experience: Serve as the primary point of contact for customer queries and service concerns, ensuring a seamless and positive experience.
- Business Growth: Support profitability by optimizing billing systems and identifying opportunities for upselling and cross-selling relevant services.
- Strategic Support: Coordinate recruitment and onboarding while maintaining strict adherence to operational protocols and data security standards.
