PROFESSIONAL EXPERIENCE

Head of Quality & APAC Quality Leadership Team

Novonesis, Bangalore, India | Jan 2023 – Aug 2025

Provided end-to-end operational leadership for Quality governance, global product documentation services, digital quality systems, and regulatory compliance across regional operations. Acted as key execution partner to regional leadership, translating strategic objectives into scalable operational delivery.

Quality Operations & Performance Management

- Defined and executed a multi-year APAC operational roadmap aligned with global strategy, integrating service delivery, compliance, digital enablement, and workforce capability development.
- Established enterprise KPI architecture and live dashboards to monitor SLA adherence, audit readiness, customer responsiveness, risk trends, and operational throughput.
- Delivered €5M OPEX savings through process redesign, automation, and resource optimization without linear headcount growth.

Customer Experience & Service Excellence

- Reduced customer inquiry turnaround time by 50% through AI-enabled automation and standardized service workflows, improving customer satisfaction to >95%.
- Acted as escalation authority for critical operational and compliance risks, ensuring rapid resolution and stakeholder alignment.

Governance, Risk & Compliance

- Owned audit and regulatory inspection readiness, achieving 98% compliance to global audit plan and zero repeat observations. Embed structured RCA, CAPA & risk assessment governance across operations with cross functions.
- Integrated emerging regulatory and operational risks into management review frameworks, enabling early mitigation and prevention of two potential batch failures valued at €4M.

Digital & IT Enablement

- Led integration of AI/ML and RPA solutions across documentation and workflow systems, scaling inquiry handling 10x while maintaining compliance and data integrity.
- Collaborated with IT and system owners to strengthen electronic QMS, data integrity frameworks, and automated reporting capabilities.

Head of Quality & EMEA QES Leadership Team

Novozymes South Asia Pvt. Ltd., Bangalore | Dec 2018 – Dec 2022

Led quality operational governance for regional manufacturing sites and CMOs, ensuring service excellence, regulatory compliance, and operational resilience across a €150M+ portfolio.

Operational & Risk Governance

- Established QMS and operational frameworks for greenfield manufacturing site, ensuring seamless certification, inspection readiness, and business continuity.
- Integrated risk mitigation strategies for supply chain disruptions during COVID and geopolitical volatility, securing alternate sourcing and achieving 25% OPEX savings.
- Embedded structured performance dashboards reducing off-spec rates from ~10% to <1% within 8 months.

Commercial & Vendor Oversight

- Directed supplier qualification, vendor governance, and compliance audits across regional and global networks.
- Partnered with leadership on cost control, portfolio protection, and operational risk mitigation strategies.

Leadership & Organizational Capability

- Built and mentored high-performing multi-disciplinary teams through competency frameworks, succession planning, and targeted leadership development.
- Engineered a 2030 Quality & Operations culture roadmap using DMAIC and ADKAR methodologies to embed accountability and continuous improvement.

Team Lead –Global quality competency centre & QA/QC

Novozymes South Asia Pvt. Ltd., Bangalore | Oct 2007– Nov 2018

Led transition and scaling of global documentation and quality governance services into India GCC & QA/QC.

- Implemented SAP, LIMS, and eQMS systems ensuring ALCOA+ data integrity and audit readiness.
- Led supplier audits (20+) and internal GMP inspections to ensure compliance and defect prevention.
- Improved customer satisfaction by 50% through complaint trend analytics and structured corrective action programs

QC Senior Executive – Pharma

Biocon Ltd. | Dec 1998- Sep 2007

Built foundational expertise in API manufacturing quality control within GMP-regulated environments.

- Executed analytical method validation and stability programs in GMP-regulated API manufacturing.
- Contributed to ISO 9001 and ISO 14001 system implementation.

EDUCATION

- MBA – Operation Management, Symbiosis Centre (2010) (Executive)
- M.Sc. – Biochemistry, Karnataka University (1997)

CERTIFICATION

- Lean Six Sigma Black Belt (2025)
- Lead Auditor – ISO 9001:2015, ISO 14001, FSSC 22000, ISO 13485
- Tanmatra – Women in Leadership, IIM Bangalore (2024)

INDUSTRY AND ADVISORY LEADERSHIP

- **Independent Advisor – Enterprise Governance & Transformation – (2025 to Present)**
Advise biotech & digital health ventures on end-to-end operational and compliance consulting, including QMS deployment, regulatory roadmaps, risk governance, and go-to-market readiness.
- **Co-Convener – TQM Forum, Confederation of Indian Industry (CII) - 2023-2025**
Led cross-industry operational excellence initiatives across 70+ organizations & evaluated organization against EHS and sustainability benchmarks for EHS & Sustainability Awards.
