OPEX - Returns to Vendor

Professional Experience

RK World Infocom

Senior In-stock Manager

Jul 2023 - Present | Bengaluru, Karnataka

- Delivered **₹261M RTV recovery (112% efficiency)** and **₹10 Cr YoY gains** through OPEX re-engineering, automation, and real-time visibility.
- Reduced RVR from 16% to <5%** by eliminating documentation defects and strengthening vendor and finance alignment.
- Achieved **90% Transparency defect reduction (100K → 10K units/month)** through barcode SOP standardization and process governance.
- Scaled Vendor Flex operations to 360+ sites**, maintaining <1% suppressed inventory and ensuring audit-ready compliance.
- Expanded **liquidation network to 190+ partners**, accelerating recovery cycles and enhancing cost efficiency.
- Centralized Biz Ops Team - **Directed cross-functional team handling appointment, floater, and swing teams (10+ HC planned)** managing **~3K appointments and 1K PO actions** monthly (flips, extensions, swaps, preonements); optimized scheduling, bulk mailers, and coverage through automation macros. These **automation macros** resulted in **~400 hours savings** monthly.

Reliance Retail

Assistant General Manager

Aug 2022 - Jun 2023 | Bengaluru, Karnataka

- Partnered with multiple stakeholders and took the lead in **new market launches** and established **3P supply chain partnerships** across South India, expanding JioMart's B2B reach to **120+ cities** and improving partner network efficiency by **25%**.
- Owned South Zone P&L (~₹350 Cr)**, leading budgeting, cost governance, and profit improvement initiatives that delivered **~12% YoY margin growth**.
- Directed **S&OP, fulfillment, logistics, and last-mile delivery** across multiple clusters, improving **on-time delivery by 18%** and reducing logistics cost per order by **14%**.
- Executed **cost reduction and sales growth initiatives** in collaboration with zonal business leaders, achieving **8% cluster-level sales uplift** and improved working capital efficiency.
- Led people & performance management** for a team of **60+ (direct & indirect)** across clusters, reducing attrition by **20%** and increasing team productivity through structured training programs.
- Enhanced **merchant NPS by 22 points** through process automation, RCA-led defect elimination, and seamless cross-functional alignment from catalog to last-mile delivery.

AMAZON DEVELOPMENT CENTRE Pvt Ltd

Catalog Manager

Sep 2015 - Aug 2022 | Bengaluru, Karnataka

- **Led ISS (Inbound Support Services) and MLWF (Machine Learning Workflows)** teams managing global catalog operations, improving **cycle time by 18%**, **productivity by 22%**, and **quality compliance by 15%** across Amazon marketplaces.
- Drove **catalog accuracy and defect elimination**, implementing ML-based solutions that reduced repeat product errors by **30%**, strengthening customer experience and seller satisfaction.
- Successfully transitioned and stabilized **FBA (Fulfilled by Amazon)** and **RECON** processes from the UK to India, managing end-to-end **resource planning, SLA negotiation, and performance stabilization**.
- Achieved **~50% cost reduction** in language hiring through a certified **Lean Six Sigma Green Belt project** by upskilling English-speaking associates for multilingual workflows.
- Reduced **vendor turnaround time by 2 days** via creation of an internal vendor calling desk and standardized disposition process for vendor mis-shipments.
- Awarded **Best Catalog Manager (Q2'16)** and recognized again in **Q2'17** for successful international process transition and operational excellence; contributed to FBA migration from **Ridgmont, UK to RBS Bangalore**.

AXA BUSINESS SERVICES Pvt Ltd

Assistant Manager

Sep 2014 - Sep 2015 | Bengaluru, Karnataka

Led International Claims Processing (Bangalore Operations), exceeding SLAs through strong process governance. Drove process transformation and compliance using structured methodologies. Spearheaded career development and engagement initiatives to boost team morale and resilience. Owned weekly/monthly performance reporting and led operational efficiency projects to enhance productivity and service quality.

IBM INDIA Pvt Ltd

Assistant Manager

Jan 2011 - Aug 2014

Led Credit & Risk Management operations (Bangalore), consistently exceeding SLAs and driving stretch targets. Implemented process improvements that enhanced efficiency and reduced turnaround time. Ensured strong alignment to organizational culture, performance, and quality goals. Managed stakeholder relationships across internal and external partners. Successfully migrated Credit & Risk process from New Jersey (USA) in 2011.

IBM INDIA Pvt Ltd

Lead Operations Manager

Jan 2011 - Jun 2013 | Bengaluru, Karnataka

Led Credit & Risk Management (O2C) transition from New Jersey (USA) to India, covering Risk Analysis, Bankruptcy, and Escheatment using SAP & Oracle. Trained and stabilized offshore teams post-migration. Automated reports via SQL, reducing cycle time by 50%. Designed a standard Risk Assessment framework and supported HR in onboarding 300+ employees. Recognized with multiple awards for zero-escalation transition and performance excellence.

Thomson Reuters

Reporting Analyst

Jun 2006 - Dec 2010 | Bengaluru, Karnataka

Delivered global AR reporting and analytics using tools like SAP BO, Athena, PeopleSoft, and Compass to support executive decision-making. Produced monthly debt and DSO reports for legacy Thomson & Reuters, enabling target setting and DSO reduction. Developed detailed AR Aging and Global Debtors Pack reports, driving collection efficiency. Recognized as a HiPo performer (2009–10) and received Top Management Excellence Award (2008) for outstanding client service.

Thomson Financial

Senior Market Data Analyst

Jul 2006 - May 2010 | Bengaluru, Karnataka

Supported clients across multiple Thomson products (Thomson One, ILX, Research, Investment Management & Banker) via calls and emails. Resolved data and entitlement issues through coordination with product, systems, and news teams. Led onboarding, training, and feedback for new hires. Developed a Customer Order Lead Time reporting process, enhancing visibility and accuracy of order processing performance

REPCOL INDIA Pvt Ltd

Collection Officer

May 2005 - Jul 2006 | Bengaluru, Karnataka

Handled collections for GE Transpacific (Australian Pilot Process), achieving both team and individual targets consistently. Monitored call quality, provided performance feedback, and supported process stabilization during the pilot phase, contributing to improved recovery rates and operational effectiveness.
