Revenue-focused SaaS Sales Leader with 15+ years of experience in **building and scaling high-growth B2B** businesses across SaaS; Cloud Telephony, HRMS, Digital Marketing, Staffing and IT services. Proven track record of **driving Rs.15 Cr+ revenue pipeline, building multi-channel GTM strategies, and leading teams of 40+ across inside sales, enterprise, and partner ecosystems.**

Known for transforming fragmented sales efforts into **predictable, scalable revenue engines**, with deep expertise in **ARR growth, pipeline acceleration, and enterprise deal closures**. Strong ability to operate at the intersection of **strategy, execution, and leadership** in both startup and growth-stage environments.

CORE COMPETENCIES:

- SaaS Sales Leadership & Revenue Strategy
- Go-To-Market (GTM) Planning & Execution
- Enterprise & Mid-Market Sales
- Channel & Partner Ecosystem Development
- Sales Funnel Optimization & Forecasting
- CRM Strategy & Revenue Operations
- Team Building, Coaching & Performance Management
- Strategic Negotiation & Key Account Management

SaaS Growth, GTM Highlights:

- Built and scaled **B2B SaaS revenue streams** across HRMS, Cloud Telephony, Digital Marketing, and IT Services, driven consistent business growth across multiple verticals.
- Spearheaded **RFP, MSA, and SOW negotiations** for IT services and SaaS deals, engaging directly with CXOs and global stakeholders (US market exposure)
- Developed and expanded **strategic partnerships with enterprises like ICICI Bank, mSwipe, and Redington**, enabling strong channel-led growth.
- Recognized consistently as a **top performer**, with multiple awards for revenue generation, incentive earnings, and strategic contributions.
- Strong expertise in **multi-channel sales (Direct, Inside, Channel, Alliances)** with a focus on scalable growth.
- Demonstrated success in **hiring, mentoring, and retaining high-performing sales teams**, reducing attrition and improving productivity.
- Designed and implemented **sales compensation plans and pricing strategies**, aligning sales incentives with business growth objectives.
- Drove **cross-functional collaboration** with product, marketing, and delivery teams to align solutions with market needs.

Quantified Revenue Impact & Growth Metrics:

- Drove **35–50%** MoM revenue growth across assigned territories during Knowlarity.
- Scaled regional revenue from **INR 10 lakhs to 1.5 Cr** ARR during NowFloats
- Drove **60–70% of total top-of-funnel pipeline via channel partners**, reducing dependency on direct acquisition channels during KREDILY.
- Launched **joint webinars, events, and outbound campaigns with Strategic partners**, generating **300–500 MQLs per quarter**.
- Built structured **partner enablement programs**, increasing **active partner contribution from 20% to 65%** of total partner base.
- Established a **multi-channel TOFU strategy (Alliances + Inside Sales + Digital)**, with partners contributing majority pipeline (**65%+**)
- Improved lead-to-conversion ratio from **8% to 18%** within 12 months
- Handled mid-market and enterprise deals with average ticket size of **Rs.5L+**
- Built and scaled partner-led revenue contributing **Rs.4+ Cr** annually
- Handled **30+** telecallers and multi-region partner sales teams
- Led a **40+** member sales organization (Inside + Field + Channel)
- Improved **lead quality (MQL → SQL conversion)** by **25–35%** through better partner training, ICP alignment, and co-branded campaigns.
