HSR Layout Sector 1, Bengaluru – 560102

Mobile: [+91 89513 45774](tel:+918951345774) | Email: rhodali321@gmail.com

Quality-focused food operations leader with 8 years of experience driving large-scale production, end-to-end quality assurance, food safety compliance, and process optimisation across multi-brand, multi-facility environments. Proven ability to build systems from the ground up, lead cross-functional teams, manage new product scale-up, and deliver consistent, safe, and high-performing food products at scale.

EXPERIENCE

Associate Director – Quality | DIL Foods, Bengaluru (Aug 2023 – Present)

- Lead quality and production operations for 200+ frozen & ambient SKUs across two facilities, transitioning from the BTM layout unit with 4 brands to the newly commissioned Chandapura factory supporting 9 brands.
- Key contributor to factory design, layout planning, workflow mapping, and commissioning of the Chandapura site
- Work closely with NPD and R&D teams to translate formulations into scalable, repeatable processes; develop process flows, SOPs, and specification documents for each new SKU.
- Drive production optimisation through integration of machinery, semi-automation, and process standardisation across multiple lines.
- Collaborated with tech teams during the development of an in-house WMS solution by providing production insights, workflows, and process requirements that improved traceability and operational visibility.
- Led Learning & Development operations for production and partner restaurant sites; managed and coordinated a team of L&D chefs across 6 cities to ensure consistent training, product preparation, hygiene, and compliance standards.
- Own end-to-end product quality, ensuring compliance, consistency, and customer experience standards across Swiggy and Zomato.

Production Lead | Artinci Artisanal Foods Pvt Ltd, Bengaluru (Sept 2021 – May 2023) | Artinci Artisanal Foods Pvt Ltd, Bengaluru (Sept 2021 – May 2023)

- Planned and executed production for 6 product categories of diabetes-safe desserts.
- Established in-house production and packaging lines; launched 3 new product verticals.
- Managed demand forecasting, material planning, and multi-city distribution.

Supply Chain & QA Manager | Living Food, Bengaluru (2020 – May 2021)

- Managed 100+ SKUs in ambient & chilled categories during peak pandemic operations.
- Oversaw warehouse operations fulfilling 300+ fresh orders daily.
- Initiated ERP implementation and improved workflow efficiency.

Unit HSEQ Executive | Compass Group, Bengaluru (2019 – 2020)

- Led ISO 22000 certification process for corporate kitchen serving 12,000+ meals/day.
- Upgraded processes for major clients (Intel, JP Morgan & Chase).
- Conducted audits, vendor evaluations, and compliance training.

Associate Food Safety Consultant | NXG Food Safety Works, Bengaluru (2018 – 2019)

- Delivered food safety system implementation for central kitchens in Chennai & Bengaluru.
- Managed onsite teams in high-volume industrial catering setups.
